

SENATOR CHAMBERS: Mr. President, this bill was handled by the Government Committee at the request of Senator Barnett so he will handle the amendment. Then I do want an opportunity to speak but I will turn off my.....

SPEAKER: Senator Barnett.

CLERK: Mr. President, read amendments.

SENATOR BARNETT: First of all I would move for the adoption of the committee amendments. Actually the committee amendments is a new bill of what we have to discuss. It is the replacement of the old literature in 678.

SPEAKER: These are committee amendments?

SENATOR BARNETT: Yes, these are the committee amendments. It was introduced as a substitute bill in 678 and send back for a public hearing. The inners of 678 were taken out and this bill replaced. This bill is the committee amendments... they are now 678 and therefore I need those adopted. Do you want me to explain them now or adopt them first?

SPEAKER: Now wait a minute, are there amendments to the committee amendments Mr. Clerk?

CLERK: Yes.

SENATOR BARNETT: Yes, I have that but I do want to withdraw the first one.

SPEAKER: Fine, but we have to handle the amendments to the committee amendments and we do that but majority vote.

SENATOR BARNETT: OK, I withdraw.

CLERK: OK, you ask to withdraw the ones found on page 1149?

SENATOR BARNETT: Right, now that is the...is that the one that is specifically....Yeah that is the one we talked about Denny? Yeah I have to withdraw that one.

CLERK: Read amendment.

SENATOR BARNETT: If the Clerk wants to come here, I'll have to show you that we have now withdrawn that first amendment in the Journal, I have to put these amendments in a different position. This is in revolving the centrum building in the city of Lincoln....

CLERK: I don't have those amendments.

SENATOR BARNETT: I said that if I could have Page I will have these brought up to you right away so that you could put that amendment that is in front of you in a proper place in the bill.

CLERK: E & R will do that.

SENATOR BARNETT: That is right, now have we adopted the committee amendments Mr. Speaker?

SPEAKER: You haven't adopted anything yet, you are now on the amendments to the committee amendments, as the Chairs understanding.
